FORMAN Summer

SUGGESTED PACKING LIST

This packing list is a general guideline. Each student has different needs, and you will need to pack accordingly. Students will be doing their own laundry once a week. **It is important to label everything with the student's full name.**

Linens:

1-2 sets of long twin sheets
1 lightweight blanket
1 twin bed spread, duvet, or quilt
1 long twin mattress plastic cover and/or pad
1-2 pillows + pillow cases
2 bath towels and washcloths
1 beach towel

Clothing:

5-10 t-shirts
2 warm sweatshirts or sweaters
1 medium-weight jacket
1 raincoat
Several pairs of shorts
1-2 pairs of jeans or pants
Pajamas
2 swimsuits
Underwear
7+ pairs of socks
2 pairs of sneakers
Flip flops + sandals
Sturdy hiking or walking shoes/boots (optional)
Hat for sun protection

Other Items:

Reading lamp
Hangers
Plastic carry case for trips to the shower
Toiletries: soap, shampoo, toothbrush, toothpaste, comb, brush, deodorant, etc.
Laundry basket or bag
Laundry detergent
Fan
Bug spray
Sunscreen
Personal sports equipment (optional)
Rug (optional)
Wall decorations (optional)
Small day pack for hikes or trips (optional)

Forman School will provide for each boarding student:

Long twin bed and mattress
Desk and chair
Dresser and closet
Shared access to a refrigerator

12 Norfolk Road
Litchfield, CT 06759

Technology

Students should bring a personal computer or iPad, not a device owned by their current school. Ideally, it will be the device they will use in school in September. We will be using these devices as tools for learning. Remember to bring cords for charging and protective cases as well. Students will be expected to bring their devices to their classes in the morning fully charged.

Cell phones are one of the many tools available to us today. Students are welcome to bring their phones if their parents approve.

Students will sign an acceptable use policy and can lose the option to have full access to their technology if they do not comply with the acceptable use policy.

Please **do not** bring gaming systems, such as Xbox or PS4. Students will be able to use their computers during free time and can play video games through that device.
